17. [redacted] Delivered to the Joint Committee on Atomic Energy two copies of NIE 11-2-65, one for the Joint Committee and one for the Senate Preparedness Investigating Subcommittee. I queried Mr. George Murphy, of the Joint Committee staff, regarding the date for our briefing. Later in the day Mr. Murphy called and said he had checked with Chairman Holifield and Staff Director Conway. They suggest that we come up on 16 June at 10:00 A.M. This has been passed on to Mr. Elder who will raise this date with the Director.
